QUEENSLAND TRAINING SUBSIDIES LIST

(2016-2017 Annual VET Investment Plan)

NOTICES:

The Queensland Training Subsidies List contains qualifications and priority skill sets subsidised by government with the listed subsidy amounts paid directly to the pre-qualified supplier as set out in the associated policies. Additionally, each pre-qualified supplier determines student fees as a contribution towards the costs of training. The department encourages students as consumers to do their research when considering their training options with tips available online at www.training.qld.gov.au/training/courses/studentguide/tips.

"Restricted Qualifications" are managed under special arrangements, only Pre-qualified Suppliers specifically authorised by the Department can deliver publicly-funded training for these qualifications.
